Regd. Rama Rao's application for new land under the Mavinhalli tank requires further Scrutiny. I am not satisfied that there has been 30 acres Submerged by this tank. Where is the Village map & let the alleged Submerged area be marked upon it & let info. be obtained as to level of W.W. of Mavinhalli & the level of the Submerged area. Mavinhalli Construction details were all settled before Regd. got his land above it & I don't believe that the reduction of his holding is bona fide and if bona fide that the Compensation for it shd. come out of land under Mavinhalli which another Ryot had applied for long previously & indeed Some Clearance with Regd. P. R. Krishnamurti Row Esqr. B. L.
Councillor to the
Government of Mysore

The humble petition of Azeez Bee, widow of late Pensioned Risaldar Syed Shah Abdulla, residing at Errlepét, Tumkur.

Most respectfully sheweth

That your humble petitioner had more than once represented her poor circumstances to Government and begged for the grant of state pension or some other help. Her present condition being extremely poor and having no means to support herself and her helpless dependents she again approaches with hopes that her prayers would now at least be favorably considered.

That petying your humble petitioner's circumstances your honor while Deputy Commissioner of the Tumkur District, were pleased to forward her petition for the favorable consideration of the Dewan (Copy of Docket No. 346 dated 22d October 1887 herewith submitted for favor of perusal). But to your humble petitioner's misfortune her case was not favorably viewed by the Government.

That your humble petitioner in her petition to the Offg. Dewan Mr. T. A. A. Thumboo Chetty had represented her circumstances and prayed

for the grant of 50 acres of land under the Chengavi Tank in the Gubbi Taluk of the Tumkur District without sale (a consideration shewn to Regimentdar Roy Bahadur Rama Rowe Ramaswé), in consideration of her husband's services as Risaldar and also in consideration of his and her failure to secure the state pension. The offg: Dewan was pleased to forward her petition for report to the then Deputy Commissioner Mr. B. K. Venkatavaradiengar, and who reported that the petitioner's prayers required favorable consideration of Government (Copy of letter No. 620 dated 23d January 1893 herewith submitted).

That your humble petitioner most respectfully prays that her case be kindly reconsidered and 50 acres of land under the new Cavary channel in the Jadatoré Taluk of the Mysore District, and which is now and Amrit Mahal Canal granted her without sale on Koudayam.

For this act of kindness and charity your humble petitioner, a helpless widow, will ever pray for your honor's long life and prosperity..

Dated Camp Kallambella 23rd January 1893.

To,

The Chief Secretary to the
Government of Mysore.

Sir,

I beg to acknowledge the receipt to-day of your Official Memo: No. 856 of the 12th instant forwarding for report the petition of Azeez Bee widow of the late pensioned Risaldar Syed Sha Abdulla Sahib, and in reply I beg to report as follows.—

2. The petitioner's husband applied for the pension of a deceased state-pensioner on the ground that he was the deceased's relative; but the application was rejected by Government in 1866 and the refusal repeated in 1884 on a second prayer.

3. Subsequently, when the petitioner became a widow she renewed her husband's prayer on the ground that her husband's death had very much straitened her circumstances, and the then Deputy Commissioner Mr. Krishna Swamy Row strongly supported her case for the favorable consideration of Government; but the Government thought it could not revive the pension long ago lapsed.

Now because Government has favorab

viewed the application of another Military offr
(Mr. Regimentdar Rama Row Ranavaré Roy
Bahadoor) for the grant without sale of
some lands under the recently restored
tank of Changavi in the Gubbi Taluk,
therefore the petitioner prays that in considera
tion of her husband's service as Risaldar
and also in consideration of his and her
failure to secure the state pension afore
referred to, she may also be granted
without sale some 50 acres of land unde
the said tank. - In this connection I
beg to add that the Government has
been pleased to order the reservation
of 100 acres for the said Mr. Rama Row
Ranavaré while selling the lands under
the said tank. - The sale was to have
been held on the 9th Instant, but owing
to some errors in the survey accounts it
has had to be postponed and the
accounts sent to the Survey Department
for correction or explanation. -

5. I need hardly add anything
to what Mr. Krishna Swamy Row has
urged about the merits of the petitioner's
prayer for some aid

Sir,

I have the honor to inform you that under instructions from Government, 100 acres-35 guntas of land were granted in 1893 to Rai Bahadur Rama Rao, Ramanavaré, Regimentdar of Mysore Cavalry, under the Chengavi Tank in the Gubbi Taluk Owing to the improvements effected in the following year to the Mavinhalli Tank situated below the Chengavi Tank, 29 acres 22 guntas of Mr Rama Rao's land was submerged and rendered unfit for cultivation. Mr

Mr. Rama Rao has now applied for grant of land in lieu of the Submerged land, in the Amrut Mahal Kaval which forms the bed of the Chitnahalli Tank. and which is capable of being irrigated from the water of the Mavinahalli Tank. Mr. H. Krishna Rao, Rissaldar in charge of the Kunigal Stud Farm, has also applied for 60 acres of land in the same locality

2. According to the Village Accounts, two Survey numbers 1 & 2 measuring 61 acres 9 guntas and 9.36 acres 17 guntas respectively comprise the bed of the Chitnahalli Tank and form the Amrut Mahal Kaval referred to by the applicants.

b) Though the tank filled to overflowing last October, the Amildar reports that No: 1 measuring 61 acres 9 guntas has not been under water and may be thrown open for cultivation. Under such circumstances, and in accordance with the instructions of Government conveyed in the Revenue Secretary's Official Memo No: 383 dated 13th August 1895 (copy enclosed), I have the honor to request that Raval Survey No: 1 above referred to may be transferred to the Revenue Department for disposal for cultivation purposes.
